WHAT OUR ALUMNI SAY ABOUT THE PROGRAM

"Since the days we were brainstorming our business idea to the IPO of Naapbooks, CrAdLE has supported us on every step. We are extremely grateful for the guidance and mentorship that we received there, as it helped us to face everyday business challenges and grow our idea into a successful business that is listed on the Bombay Stock Exchange (BSE)."

Abhishek Jain - Naapbooks

"CrAdLE gave us the tools and knowledge essential to grow our startup. Mentorship received from CrAdLE team was immensely valuable in developing our marketing and growth strategies. We recently graduated from program and have joined the acceleration program to further scale our business"

Amit Doshi - NeeRain
